Pass mark, final online exam

COURSE OVERVIEW

A specialized course that prepares participants to oversee and perform hot work safely and effectively.

Welding, cutting and brazing expose workers to sparks, heat, fumes and serious fire risk. The course covers welding, cutting and brazing processes, fire and explosion prevention, ventilation and atmospheric hazards, PPE, and compressed gas and cylinder safety.

Participants also cover electrical safety in arc welding, hot work in confined spaces, hot work permits and documentation, training and supervision, incident prevention and emergency preparedness, and auditing and program improvement. Graduates are equipped to plan and control hot work.

CORE COMPETENCIES

 Know the processes Welding, cutting and brazing types	 Prevent fires Fire and explosion prevention
 Control fumes Ventilation and atmospheric hazards	 Handle gases Compressed gas and cylinder safety
 Permit hot work Permits and confined-space hot work	 Audit & improve Supervision, emergencies and audits

WHO IT'S FOR

Welders

Fabrication supervisors

Maintenance staff

Fire watches

Safety officers

Ideal for anyone performing, supervising or permitting hot work.

70% Pass mark

#	MODULE TITLE
01	Introduction to Welding, Cutting, and Brazing Safety
02	Types of Welding, Cutting, and Brazing Processes
03	Fire and Explosion Prevention
04	Ventilation and Atmospheric Hazards
05	Personal Protective Equipment (PPE)
06	Compressed Gases and Cylinder Safety
07	Electrical Safety in Arc Welding
08	Hot Work in Confined Spaces
09	Hot Work Permits and Documentation
10	Training, Supervision, and Competency
11	Incident Prevention and Emergency Preparedness
12	Auditing, Inspections, and Program Improvement

INSTRUCTIONAL DESIGN

Structured eLearning with clear explanations, visual illustrations and scenario-based examples, supported by official reference books you keep after completion.

Online eLearning

Delivered through the AISP Student Dashboard (LMS)

8 Hours

Contact hours

Self-Paced

Study at your own pace with official reference books, downloadable from the Student Dashboard and yours to keep

Lifetime Access

Your course materials remain available in your Student Dashboard after completion

 **Language:** All course materials, reference books and examinations are delivered in English, Spanish, German and Arabic. Reference books are provided as downloadable PDFs.

FINAL EXAMINATION

1

Score 70% or higher

Complete a timed, open-reference online examination taken through the Student Dashboard, drawn from a structured question bank.

2

Retake if needed

If you do not pass first time, further attempts are available. A short review period applies between attempts so you can revisit the course material.

3

Earn your certificate

A passing score confirms your eligibility for the Certificate of Completion. Once passed, the exam cannot be retaken to improve the score.

1

MONTH

RECOMMENDED COMPLETION

Most learners complete this course within one month, studying at their own pace through the Student Dashboard.

WHAT YOU RECEIVE

Sample documents shown ·
personal details redacted

Certificate of Completion

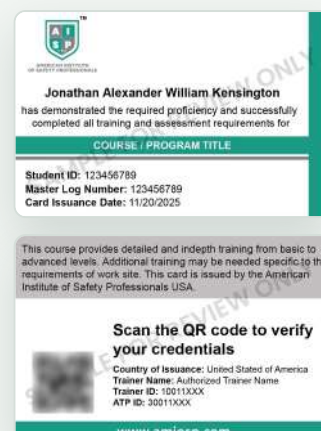

Issued as a digital certificate (PDF) with QR verification. If you select the Hardbound Certificate, a printed copy is also posted to you.

INCLUDED with every
Certificate of Completion

Official Student Transcript

Records your course, training hours and result.

Wallet Card

Portable proof of your credential on site, verifiable by QR code.

All three are issued by American Institute of Safety Professionals LLC, USA and can be verified by any employer at amiosp.com/student-verifications

COURSE FEES

Two certificate options

Digital Certificate

Issued as a PDF, with QR verification

Refer to website for prices →

Hardbound Certificate

Printed and posted to you, and includes the digital certificate

Refer to website for prices →

Shipping and handling for the hardbound option is not included in the course fee. It is calculated according to the delivery address and invoiced separately once the certificate is ready to dispatch.

THE AISP ADVANTAGE WHY CHOOSE US?

Employer-verifiable worldwide

Every credential carries a unique Master Log Number and QR code, verifiable online by any employer

Fast-track online learning

Tailored for busy professionals

Industry-relevant content

Aligned with current safety standards

Expert-developed curriculum

Written by instructors with hands-on field experience

Trusted by employers

Used by safety professionals across industries internationally

YOUR CAREER IN NUMBERS

This course builds a specific competency within occupational safety practice. The figures below show United States earnings for occupational health and safety specialists, the profession this competency supports. They are published labor market data for that occupation, not an indication of earnings following this course.

\$93,860

Mean annual wage

\$90,150

Median annual wage

140,610

Employed nationwide

INDUSTRIES WITH THE MOST JOBS

Local government	9,560
Management & technical consulting	8,400
Federal government	7,410
Nonresidential building construction	7,050
State government	6,490

HOURLY WAGE RANGE

10th percentile	\$26.44
25th percentile	\$33.44
Median	\$43.34
75th percentile	\$53.70
90th percentile	\$64.88

TOP-PAYING INDUSTRIES

Oil and gas extraction	\$120,700
Scientific R&D services	\$118,800
Aerospace products mfg.	\$118,560
Electric power generation & distribution	\$117,990
Chemical manufacturing*	\$106,400

* Chemical manufacturing: NAICS 3251, 3252, 3253 and 3259 only.

PAY IN THE LARGEST EMPLOYING SECTORS

Manufacturing	\$95,270
Construction	\$95,860
Government	\$90,530
Professional & technical services	\$94,940
Transportation and warehousing	\$83,440

ABOUT THE COURSE

Q01

Who is this course for?

Welders, fabrication supervisors, maintenance staff, fire watches and safety officers.

Q02

How is the course delivered?

Online through the AISP Student Dashboard (LMS), with official reference books to download and keep, and lifetime access to your course materials.

Q03

How long does it take?

A minimum of 8 contact hours. The course is self-paced, and most learners finish within one month.

EXAM & RESULTS

Q04

What score do I need to pass?

A minimum of 70% on a timed, open-reference online examination taken through the Student Dashboard.

Q05

When will I receive my results?

Immediately, by email to your registered address.

Q06

What if I don't pass first time?

Further attempts are available. A short review period applies between attempts so you can revisit the course material.

CERTIFICATION & FEES

Q07

What do I receive?

A Certificate of Completion, an official Student Transcript and a wallet card, all with QR verification. The Hardbound Certificate includes a printed copy posted to you in addition to the digital certificate.

Q08

Can employers verify my certificate?

Yes. Every certificate carries a unique Master Log Number and QR code, and can be verified at amiosp.com/student-verifications

Q09

How much does it cost?

Prices for the Digital and Hardbound Certificate are on the [course page](#). Hardbound shipping is calculated by delivery address and invoiced separately.
