COURSE OVERVIEW

An essential course for professionals and team members who may need to respond to medical emergencies at work.

From sudden cardiac arrest to severe injuries, organizations depend on people who can act quickly and correctly. The course covers first aid program development and regulatory foundations, emergency scene management and initial response, and cardiopulmonary resuscitation and basic life support.

Participants also cover medical emergencies, trauma response, environmental and work-specific emergencies, bloodborne pathogens and infection control, and training and documentation. Graduates are equipped to respond with confidence in the critical first minutes.

CORE COMPETENCIES

 Manage the scene Scene safety and initial response	 Perform CPR CPR and basic life support
 Treat medical emergencies First aid protocols	 Control trauma Bleeding, fractures and injuries
 Handle work emergencies Environmental and work-specific	 Prevent infection Bloodborne pathogens and infection control

WHO IT'S FOR

Designated first aiders

Supervisors

Safety officers

Remote workers

All employees

Ideal for anyone who may need to respond to a medical emergency at work.

#	MODULE TITLE
01	Regulatory Foundations and First Aid Program Development
02	Emergency Scene Management and Initial Response
03	Cardiopulmonary Resuscitation (CPR) and Basic Life Support
04	Medical Emergencies and First Aid Protocols
05	Trauma Response and Injury Control
06	Environmental and Work-Specific Emergencies
07	Bloodborne Pathogens, Infection Control, and Exposure Management
08	Training, Documentation, and Continuous Program Improvement

INSTRUCTIONAL DESIGN

Structured eLearning with clear explanations, visual illustrations and scenario-based examples, supported by official reference books you keep after completion.

Online eLearning

Delivered through the AISP Student Dashboard (LMS)

8 Hours

Contact hours

Self-Paced

Study at your own pace with official reference books, downloadable from the Student Dashboard and yours to keep

Lifetime Access

Your course materials remain available in your Student Dashboard after completion

 **Language:** All course materials, reference books and examinations are delivered in English, Spanish, German and Arabic. Reference books are provided as downloadable PDFs.

FINAL EXAMINATION

1

Score 70% or higher

Complete a timed, open-reference online examination taken through the Student Dashboard, drawn from a structured question bank.

2

Retake if needed

If you do not pass first time, further attempts are available. A short review period applies between attempts so you can revisit the course material.

3

Earn your certificate

A passing score confirms your eligibility for the Certificate of Completion. Once passed, the exam cannot be retaken to improve the score.

1

MONTH

RECOMMENDED COMPLETION

Most learners complete this course within one month, studying at their own pace through the Student Dashboard.

WHAT YOU RECEIVE

Sample documents shown ·
personal details redacted

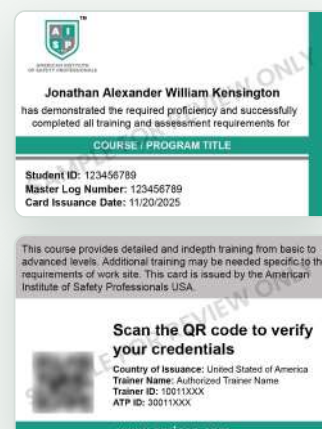

Certificate of Completion

Issued as a digital certificate (PDF) with QR verification. If you select the Hardbound Certificate, a printed copy is also posted to you.

Official Student Transcript

Records your course, training hours and result.

Wallet Card

Portable proof of your credential on site, verifiable by QR code.

All three are issued by American Institute of Safety Professionals LLC, USA and can be verified by any employer at amiosp.com/student-verifications

COURSE FEES

Two certificate options

Digital Certificate

Issued as a PDF, with QR verification

[Refer to website for prices →](#)

Hardbound Certificate

Printed and posted to you, and includes the digital certificate

[Refer to website for prices →](#)

Shipping and handling for the hardbound option is not included in the course fee. It is calculated according to the delivery address and invoiced separately once the certificate is ready to dispatch.

THE AISP ADVANTAGE WHY CHOOSE US?

Employer-verifiable worldwide

Every credential carries a unique Master Log Number and QR code, verifiable online by any employer

Fast-track online learning

Tailored for busy professionals

Industry-relevant content

Aligned with current safety standards

Expert-developed curriculum

Written by instructors with hands-on field experience

Trusted by employers

Used by safety professionals across industries internationally

YOUR CAREER IN NUMBERS

This course builds a specific competency within occupational safety practice. The figures below show United States earnings for occupational health and safety specialists, the profession this competency supports. They are published labor market data for that occupation, not an indication of earnings following this course.

\$93,860

Mean annual wage

\$90,150

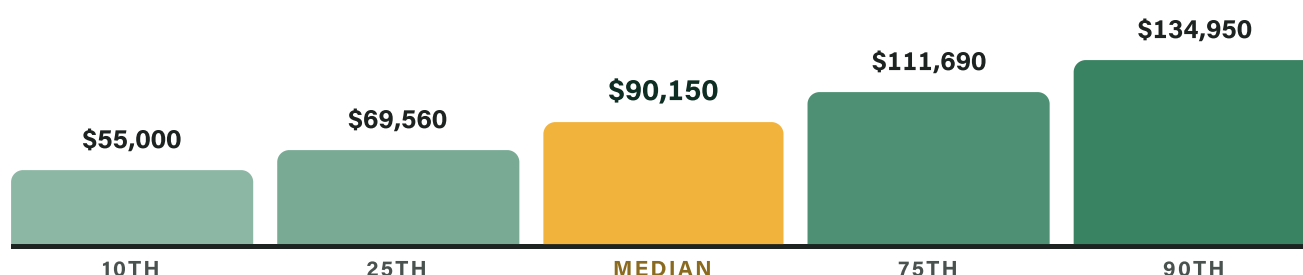

Median annual wage

140,610

Employed nationwide

ANNUAL WAGE RANGE

INDUSTRIES WITH THE MOST JOBS

Local government	9,560
Management & technical consulting	8,400
Federal government	7,410
Nonresidential building construction	7,050
State government	6,490

PAY BY SECTOR

Manufacturing	\$95,270
Construction	\$95,860
Government	\$90,530
Professional & technical services	\$94,940

TOP-PAYING INDUSTRIES

Oil and gas extraction	\$120,700
Scientific R&D services	\$118,800
Aerospace products mfg.	\$118,560
Electric power generation & distribution	\$117,990

ABOUT THE COURSE

Q01

Who is this course for?

Designated first aiders, supervisors, safety officers, remote workers and all employees.

Q02

How is the course delivered?

Online through the AISP Student Dashboard (LMS), with official reference books to download and keep, and lifetime access to your course materials.

Q03

How long does it take?

A minimum of 8 contact hours. The course is self-paced, and most learners finish within one month.

EXAM & RESULTS

Q04

What score do I need to pass?

A minimum of 70% on a timed, open-reference online examination taken through the Student Dashboard.

Q05

When will I receive my results?

Immediately, by email to your registered address.

Q06

What if I don't pass first time?

Further attempts are available. A short review period applies between attempts so you can revisit the course material.

CERTIFICATION & FEES

Q07

What do I receive?

A Certificate of Completion, an official Student Transcript and a wallet card, all with QR verification. The Hardbound Certificate includes a printed copy posted to you in addition to the digital certificate.

Q08

Can employers verify my certificate?

Yes. Every certificate carries a unique Master Log Number and QR code, and can be verified at amiosp.com/student-verifications

Q09

How much does it cost?

Prices for the Digital and Hardbound Certificate are on the [course page](#). Hardbound shipping is calculated by delivery address and invoiced separately.
