# COURSE OVERVIEW

A professional course for those responsible for maintaining safe, organized and compliant workplaces.

Strong housekeeping is the foundation of injury prevention and operational efficiency. The course covers housekeeping safety foundations, walking-working surfaces and floor safety, material storage, handling and disposal, and fire prevention through housekeeping controls.

Participants also cover tools, equipment and work area organization, specialized housekeeping hazards in construction and industry, training and worker responsibilities, and program evaluation. Graduates are equipped to make good housekeeping part of daily work.
