COURSE OVERVIEW

An advanced program that prepares individuals for managerial responsibility in planning, implementing and overseeing occupational safety and health programs in general industry.

The program strengthens management-level understanding of safety management systems, leadership practice, incident investigation, safety committee coordination, emergency planning, fleet safety and ergonomics program oversight as part of an integrated approach to safety management.

Aligned with OSHA 29 CFR 1910 at a management level, the program emphasizes strategic oversight: evaluating safety system performance, leading safety initiatives and coordinating programs across departments. Graduates are equipped to direct safety performance and drive continuous improvement.

CORE COMPETENCIES

Manage safety systems

Plan, implement and evaluate the SMS

Lead safety initiatives

Leadership, supervision and accountability

Coordinate committees

Effective safety committee operations

Evaluate investigations

Incident outcomes and corrective action

Oversee specialist programs

Fleet safety and ergonomics programs

Direct emergency planning

Emergency action and fire protection plans

WHO IT'S FOR

Safety & health managers

Operations managers

Facility managers

Department heads

Committee leaders

Ideal for managers responsible for directing, coordinating and evaluating safety programs.

INSTRUCTIONAL DESIGN

Structured eLearning with clear explanations, visual illustrations and scenario-based examples, supported by official reference books you keep after completion.

Online eLearning

Delivered through the AISP Student Dashboard (LMS)

48 Hours

Contact hours

Self-Paced

Study at your own pace with official reference books, downloadable from the Student Dashboard and yours to keep

Lifetime Access

Your course materials remain available in your Student Dashboard after completion

 **Language:** All course materials, reference books and examinations are delivered in English, Spanish, German and Arabic. Reference books are provided as downloadable PDFs.

FINAL EXAMINATION

1

Score 70% or higher

Complete a timed, open-reference online examination taken through the Student Dashboard, drawn from a structured question bank.

2

Retake if needed

If you do not pass first time, further attempts are available. A short review period applies between attempts so you can revisit the course material.

3

Earn your certificate

A passing score confirms your eligibility for the Certificate of Completion. Once passed, the exam cannot be retaken to improve the score.

ABOUT YOUR CERTIFICATE

Your Certificate of Completion confirms you have completed a structured safety training program informed by OSHA 29 CFR 1910. It is not OSHA-authorized training, licensure or regulatory approval, and it complements the site- and task-specific training your employer provides.

WHAT YOU RECEIVE

Sample documents shown ·
personal details redacted

Certificate of Completion

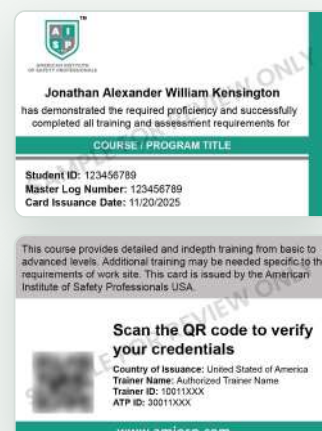

Issued as a digital certificate (PDF) with QR verification. If you select the Hardbound Certificate, a printed copy is also posted to you.

INCLUDED with every
Certificate of Completion

Official Student Transcript

Records your course, training hours and result.

Wallet Card

Portable proof of your credential on site, verifiable by QR code.

All three are issued by American Institute of Safety Professionals LLC, USA and can be verified by any employer at amiosp.com/student-verifications

COURSE FEES

Two certificate options

Digital Certificate

Issued as a PDF, with QR verification

Refer to website for prices →

Hardbound Certificate

Printed and posted to you, and includes the digital certificate

Refer to website for prices →

Shipping and handling for the hardbound option is not included in the course fee. It is calculated according to the delivery address and invoiced separately once the certificate is ready to dispatch.

ABOUT THE PROGRAM

Q01

Who is this program for?

Safety and health managers, operations and facility managers, department heads and committee leaders.

Q02

How is the program delivered?

Online through the AISP Student Dashboard (LMS), with official reference books to download and keep, and lifetime access to your course materials.

Q03

How long does it take?

48 contact hours across 9 courses, studied at your own pace.

EXAM & RESULTS

Q04

What score do I need to pass?

A minimum of 70% on a timed, open-reference online examination taken through the Student Dashboard.

Q05

What if I don't pass first time?

Further attempts are available. A short review period applies between attempts so you can revisit the course material.

Q06

Is this OSHA-authorized training?

No. The program is informed by OSHA 29 CFR 1910 for education only. It is not OSHA authorization or a compliance certification.

CERTIFICATE & FEES

Q07

What do I receive?

A Certificate of Completion, an official Student Transcript and a wallet card, all with QR verification. The Hardbound Certificate includes a printed copy posted to you in addition to the digital certificate.

Q08

Can employers verify my certificate?

Yes. Every certificate carries a unique Master Log Number and QR code, and can be verified at amiosp.com/student-verifications

Q09

How much does it cost?

Prices for the Digital and Hardbound Certificate are on the [program page](#). Hardbound shipping is calculated by delivery address and invoiced separately.
